

Amendments to the Drawings:

Fig. 1 has been amended: (i) to more clearly show the rotors, especially the lobes thereof, in elevation; (ii) to re-orient the lobes in accordance with Fig. 5; and (iii) to change the lead line from reference numeral 109 to a dashed line.

Attachment: Replacement Sheet

R E M A R K S

Reconsideration of this application, as amended herein and as amended in the Amendment mailed on January 3, 2007, is respectfully requested.

Fig. 1 has been amended as described hereinabove to correct additional minor informalities of which the undersigned has become aware, in addition to the informalities corrected in the Amendment mailed on January 3, 2007.

Submitted herewith is a corrected sheet of formal drawing which incorporates the amendments.

No new matter has been added, and it is respectfully requested that the amendments to Fig. 1 in this Supplemental Amendment be approved and entered.

If the Examiner has any comments, questions, objections or recommendations, the Examiner is invited to telephone the undersigned for prompt action.

Respectfully submitted,

/Douglas Holtz/
